

FOR IMMEDIATE RELEASE

OCTOBER 7, 2026

Association of Senior Clubs, Brampton and all of its member clubs endorse Patrick Brown for re-election

The umbrella organization and 45 seniors' clubs across Brampton back the Mayor.

BRAMPTON, ON – The Association of Senior Clubs, Brampton, the city's umbrella organization for seniors' clubs, and 45 clubs across Brampton, including all of the Association's current member clubs, have endorsed Patrick Brown for re-election as mayor in the October 26 municipal election. The Brown campaign says the joint endorsement is unprecedented in the city's history.

"The Association of Senior Clubs, Brampton, representing seniors' clubs and members of the seniors' community across Brampton, has formally decided to endorse Patrick Brown for re-election as Mayor of Brampton in the 2026 municipal election," said Jangir Singh Sehmbay, President of the Association, in its official endorsement statement.

The Association says its decision is based on its assessment of matters affecting Brampton's seniors, including free transit for eligible seniors, free recreation memberships for residents aged 65 and over, snow removal financial assistance for qualifying seniors, investment in parks, recreation and community facilities, and progress toward Brampton's second hospital and expanded health care services.

"The Association will continue to advocate for the interests of seniors, including affordability, accessible transportation, health and wellness, social participation, community safety and improved access to municipal services."

JANGIR SINGH SEHMBAY, PRESIDENT, ASSOCIATION OF SENIOR CLUBS, BRAMPTON

In a separate open letter signed by the leaders of all 45 clubs, the clubs point to measures they say have made it easier for older residents to stay active, connected and independent.

"We work with seniors every day and understand the importance of affordability, independence, staying active and connected, and having access to the services people need as they age," the clubs write. "Mayor Brown has listened to Brampton's seniors and delivered real results."

According to the letter, Brampton issued 20,000 free senior transit passes in 2025 and another 15,000 in the first eight months of 2026. The City also issued 15,000 free senior recreation memberships in 2025 and 7,100 in the first six months of 2026. Through the Snow Removal Financial Assistance Program, eligible residents can receive up to \$300 toward hiring a snow removal service, or up to \$400 for corner lots.

"I'm grateful to the Association of Senior Clubs and all 45 seniors' clubs for their support and for the work they do every day in our community. Their members have been clear about what matters: being able to get around, stay active, remain connected and access care close to home. I'll keep listening and working to deliver for Brampton's seniors."

MAYOR PATRICK BROWN

The clubs' open letter concludes: "We, the undersigned, proudly endorse Patrick Brown for re-election as Mayor of Brampton in 2026."

The Association's endorsement statement and the clubs' open letter, with the names and signatures of all 45 clubs, are attached.

Official Organizational Endorsement – 2026 Municipal Election

PATRICK BROWN: DELIVERING FOR SENIORS

An Open Letter from Brampton's Seniors' Community

We, the leaders and representatives of seniors' clubs, organizations and communities across Brampton, are proud to support Patrick Brown.

We work with seniors every day and understand the importance of affordability, independence, staying active and connected, and having access to the services people need as they age. Mayor Brown has listened to Brampton's seniors and delivered real results.

FREE TRANSIT FOR SENIORS

Brampton provides free transit for seniors, making it easier and more affordable to get to appointments, shopping, recreation and community activities. In 2025, 20,000 free senior transit passes were issued, with another 15,000 issued in the first eight months of 2026.

FREE RECREATION & SENIORS PROGRAMMING

Brampton provides free annual recreation memberships for residents aged 65+, helping seniors stay active, healthy and connected. In 2025, 15,000 free senior recreation memberships were issued, with 7100 given out in the first six months of 2026.

SUPPORT WITH SNOW REMOVAL

The Snow Removal Financial Assistance Program helps seniors and people with disabilities with the cost of hiring a service provider to remove snow from their sidewalks and driveways. Qualifying applicants can receive a grant of up to \$300 for non-corner lot properties or up to \$400 for corner lots with sidewalks on two sides of the property and where both sidewalks are not cleared by the City.

BETTER PARKS FOR SENIORS

Brampton continues to improve parks and outdoor spaces with amenities that make them more accessible and enjoyable for older adults, creating more opportunities for seniors to walk, exercise, socialize and enjoy their neighbourhoods.

BRAMPTON'S SECOND HOSPITAL

After years of advocacy, Brampton's second hospital is moving forward. The \$2.8-billion project will bring a new emergency department, inpatient care and expanded health-care services to our growing community. Mayor Brown has been a persistent advocate for the hospital and for ensuring Brampton receives the health-care investment our residents deserve.

A RECORD OF DELIVERING

Free transit. Free recreation. Support with snow removal. Better parks. A new second hospital moving forward. These are investments that help Brampton's seniors stay active, connected and independent while making our city a better place to age.

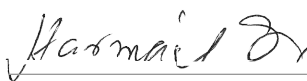

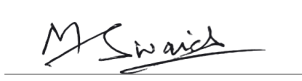

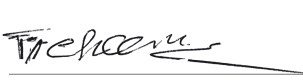

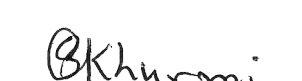

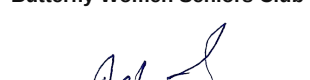

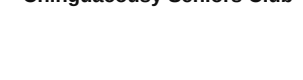

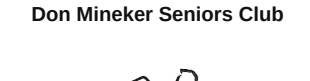

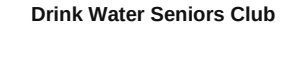

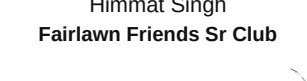

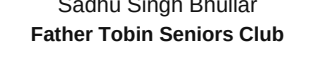

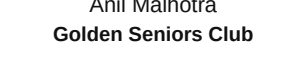

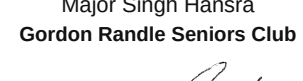

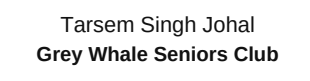

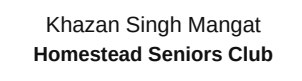

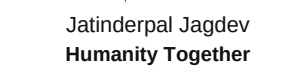

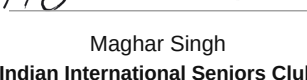

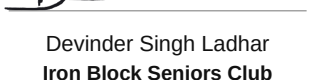

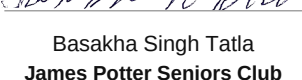

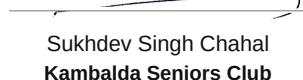

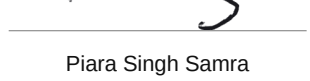

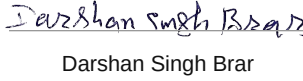

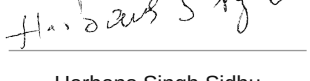

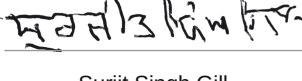

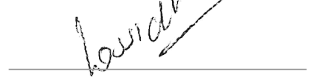

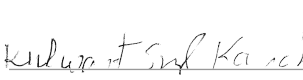

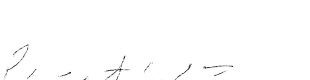

Patrick Brown has demonstrated through action that Brampton's seniors are a priority.

We, the undersigned, proudly endorse Patrick Brown for re-election as Mayor of Brampton in 2026.

The signatures of the undersigned are on the attached page.
