Peel Paramedic Union endorses Patrick Brown for Mayor of Brampton

BRAMPTON, ON – The Peel Paramedic Union, OPSEU/SEFPO Local 277, is endorsing Patrick Brown for Mayor of Brampton, recognizing his leadership in defending Peel's paramedic service and supporting frontline workers and patients.

"Peel's Paramedics and Ambulance Logistic Technicians strongly endorse Patrick Brown for Mayor of Brampton. He leads a team that delivers results for the residents of Brampton, and he understands the needs of our members and of our patients. When regional separation threatened the care we deliver, there was no louder voice in the province defending keeping our world leading paramedic service serving our residents," said Dave Wakely of the Peel Paramedic Union, OPSEU/SEFPO Local 277.

Brown thanked Wakely and the union's members for their endorsement and service to the community.

"Our paramedics and ambulance logistics technicians provide vital care when residents need it most," said Brown. "I'm grateful for their support and dedication to our community."
